Ryan White Program

CLIENT RIGHTS

- You have the right to be notified of your rights in a language or manner you understand.
- You have the right to equal treatment regardless of your race, ethnic origin, religion, gender, sexual preference, and disability.
- You have the right to be treated with sensitivity to your sociocultural background, psychological characteristics, physical limitations, and spiritual beliefs.
- You have the right to privacy.
- You have the right to review any or all of your records with a written request to the Program Supervisor 48 hours in advance.
- You have the right to request a Fair Hearing if you feel you have been treated unfairly.
- You have the right to consent or to refuse any prescribed psychotropic medication.
- You have the right to withdraw from the program at any time by making the request to the clinician or Program Supervisor.
- You have the right to appeal a termination or discharge in accordance with the program's Fair Hearing policy.
